ADVERTISING AND MEDIA GUIDE

Motor Trader is the official publication of the Motor Trades Association of Queensland (MTA Queensland), a registered organisation of employers in the motor industry. The journal provides information on all matters pertaining to the automotive industry – state, national and international.

It is an e-magazine - a digital publication that utilises all the features that technology allows, including hyperlinks to websites, videos and more. It is published 11 times per year in the first half of each calendar month (apart from the end-of-year December/January edition that is published mid-December).

Motor Trader has 22,700 subscribers and its readership includes the 1,500 members of MTA Queensland; approximately 2,600 students of MTA Institute (and their employers); Members of State Parliament, and

leaders of government departments and local authorities. Across the state, this means thousands of people directly involved in the automotive industry - from mechanics to auto electricians, from dealer principals to body repair specialists, from tyre retailers to automotive apprentices - receive *Motor Trader* each month.

Subscription to *Motor Trader* is free and there are no restrictions on recipients and subscribers of *Motor Trader* sending the e-magazine link on to friends and colleagues.

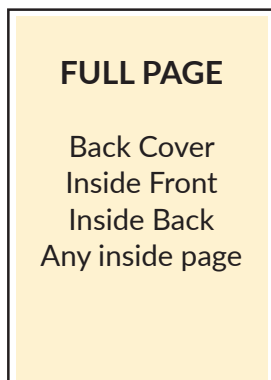

Editorial submissions are welcomed but cannot be guaranteed placement in the magazine.
